

Local Food Festivals with CloudTEN Events

Food & Drink Festivals are always a hit with the public, so why not give your shoppers a taste of the region by hosting your very own local food & drink event.

CloudTEN Events has many years of experience working with local and regional food groups, celebrity chefs and mobile kitchens. From small producers to regional foodie experts, we can source the lot (and have contacts with many of the best already!)

Celebrity Chefs: Entice shoppers into your Shopping Centre with a big name Celebrity Chef...Rustie Lee, Lesley Waters, Ainsley Harriott, Aldo Zilli...they're all very popular and draw a crowd!

Small Producers: Invite local producers (bakers, brewers, farmers, cheesemakers etc) to come and exhibit and sell their products – not only increase footfall to your centre, but supporting the locals!

Cookery Demonstrations: Invite your celebrity chef to cook up some of their favourite dishes, plus your foodie retailers, local popular restaurants and gastropubs!
